Finishings

Cork finished with colourless aqueous coating with properties of water repellency, oil, stains and dirt as well as high resistance to UV and aging. Metal with copper finishing.

Custom

Arranged with the client.

Description

The decorative pigeon is a metaphor of the carrier pigeon and a caring message from DAM - always happy to welcome you. Its name "Colombo" is inspired by the etymology of pigeon ("columbus") and also in the navigator and explorer Cristóvão Colombo. The Colombo pigeon flies by day and by night, expressing the desire to explore and be inspired beyond borders. The desire to never stop flying through the world but always valuing its roots.

DIMENSIONS

COLOMBO by day

REF. 97

Packaging

W16.5 x D13.5 x H8.5 cm

W6.5 x W5.3 x H3.3 in

Gross Weight 0.8 kg

Units per pack 1 pc

COLOMBO by night

REF. 96

Packaging

W16.5 x D13.5 x H8.5 cm

W6.5 x W5.3 x H3.3 in

MATERIALS

COMPOSITE CORK

It has high performance in thermal and acoustic insulation. It is impermeable to liquids and fire retardant. It is a vegetable, biodegradable and recycled material. It is finished with colourless aqueous coating with properties of water repellency, oil, and stains and high resistance to UV and aging, keeping the natural touch and breathability of cork.
