

Coffee table
FLORA

BY Hugo Silva & Joana Santos

REF. 40 *wide low*
REF. 41 *wide tall*
REF. 42 *small low*
REF. 43 *small tall*

Materials

Oak wood veneer (top), 100% natural agglomerated dark cork (base). Also available in walnut wood veneer (top).

Finishings

Colourless matt varnish (tabletop). Colourless aqueous coating (seat). Coloured matt varnish - 'cold white', 'grumpy black', 'dry yellow', 'fond orange', 'luxury red', 'elegant grey', 'scared blue' or 'sleepy green' (structure).

Custom

Arranged with the client.

Description

FLORA is a set of coffee tables that refers to the plants we offer to the ones we love, so there is a similarity between taking care of the plants and taking care of the objects. These versatile tables combine natural materials, with four sizes and eight different coloured frame finishes and work separately or together.

MATERIALS

AGGLOMERATED CORK

High performance in thermal and acoustic insulation. Resistant to abrasion and impact. Fire retardant. It is finished with colourless aqueous coating with properties of water repellency, stains and high resistance to UV.

Dark Cork
Colourless

OAK VENEER

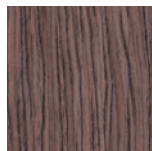

High quality oak veneer faced with MDF and finished with colourless matt varnish that has a special uv protection which prevents discoloration and also forms a water repellent layer.

AOA
Colourless

WALNUT VENEER

High quality walnut veneer faced with MDF and finished with colourless matt varnish that has a special uv protection which prevents discoloration and also forms a water repellent layer.

BWA
Colourless

MEDIUM DENSITY FIBERBOARD

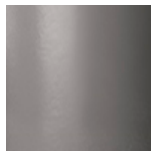

The MDF is stronger and more stable than solid wood, so the chances of splitting or cracking are reduced. It is finished with coloured matt varnish that has a special uv protection which prevents discoloration and also forms a water repellent layer.
