

Coat hook

GUMELO

BY Hugo Silva & Joana Santos

REF. 99 *big*
REF. 100 *medium*
REF. 101 *small*

Materials

Composite dark cork, composite light cork and solid ash.

Finishings

Cork finished with colorless aqueous coating with properties of water repellency, oil, stains and dirt as well as high resistance to UV and aging. Wood finished with colorless matt varnish.

Custom

Arranged with the client.

Description

Inspired in the organic shapes of the mushrooms, the GUMELO hangers interact with the surroundings and capture light and cast shadows. They are as practical and versatile as it is delightful to the eye. Available in three sizes, these hooks make a strongest impression when displayed together.

MATERIALS

COMPOSITE CORK

It has high performance in thermal and acoustic insulation. It is impermeable to liquids and fire retardant. It is a vegetable, biodegradable and recycled material. It is finished with colourless aqueous coating with properties of water repellency, oil, and stains and high resistance to UV and aging, keeping the natural touch and breathability of cork.

Dark Cork

97A
Light Cork

SOLID ASH

European solid ash, that comes from forests controlled through a process covered by the FSC Certification. This wood can last a lifetime but it needs maintenance and care. It is finished with colourless or coloured matt varnish that has a special UV protection that prevents discoloration, and also forms a water repellent layer.

ASH
Colourless

NOTES

Other finishing options are possible, on a case-by-case basis.
Samples of finishings are only representative and not an exact match of colour and tonality.
