Drawers' inner coating

Wallpaper with illustrations in 'grumpy black'.

Custom

Arranged with the client.

Description

Martins are happy siamese twins. They are very similar, but one of them is hungrier and is always with his mouth open, which allows you to store your bigger items. This tall chest is lined with wallpaper with illustrations of the characters' belongings. It is destined for indoors, can be produced in different colours and can adapt itself to children, youngsters and adults.

MATERIALS

WALLPAPER

Textured paper with personalized digital printing. Wipe clean with slightly damp cloth.

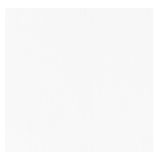

Cold White

OAK VENEER

High quality oak veneer faced with MDF and finished with colourless or coloured matt varnish that has a special uv protection which prevents discoloration and also forms a water repellent layer. The MDF is stronger and more stable than solid wood, so the chances of splitting or cracking are reduced.

SOLID ASH

European solid ash, that comes from forests controlled through a process covered by the FSC Certification. This wood can last a lifetime but it need maintenance and care. It is finished with 'cold white' matt varnish that has a special uv protection and also forms a water repellent layer.

Cold White

NOTES

Other finishing options are possible, on a case-by-case basis. Samples of finishings are only representative and not an exact match of colour and tonality.
