Description

Nandos is a wardrobe that recovers the traditional piece of furniture used to hold clothes. The slender form interprets the human relationship with the objects and the handles accentuate the humorist intention of the piece. The drawers and the background cabinet have illustrations of the belongings of the character. Nandos is destined for indoors, can be produced in different colours and can adapt itself to children, youngsters and adults.

OAK VENEER

High quality oak veneer faced with MDF and finished with colourless or coloured matt varnish that has a special uv protection which prevents discoloration and also forms a water repellent layer. The MDF is stronger and more stable than solid wood, so the chances of splitting or cracking are reduced.
